

ICMLA 2025 2nd International Conference on Machine Learning Algorithms

Date: 29th - 30th, August 2025

The 2nd International Conference on Machine Learning Algorithms in Science, Technology, Engineering, Management, Medical Science & Healthcare (ICMLA 2025) is being organised by Chitkara University, Himachal Pradesh on August 29-30, 2025.

ICMLA is a non-profit conference, and it will provide an opportunity for practising professionals, academicians, and researchers to meet in a forum to discuss various issues and their future direction in the field of Science, Technology, Engineering, Medical, Management and Healthcare. The conference aims to gather experts from the relevant areas to disseminate their knowledge and experience for the relevant future research scope.

Track 1:

Machine Learning and Computational Intelligence.

Artificial Intelligence, Machine Learning in Financial Analysis, Computer Vision and Pattern Recognition, Machine Learning in NLP, Machine Learning and Smart City, Machine Learning Algorithms, Neural Networks, Predictive Learning, Supervised Machine Learning, Unsupervised Machine Learning, Machine Learning in Human Resource Management.

Track 2:

Data analytics and utility application services.

Machine Learning in Predictive Analytics, Data Mining and Machine Learning Tools, Deep Learning Applications to solve real-world problem, Machine Learning in Image Analysis, Machine Learning in Data Analysis.

Track 3:

Machine Learning for Healthcare, Computer Vision and Industry 5.0

Machine Learning in Healthcare, Machine Learning in Cyber Security, Intelligent System Architecture, Experimental Results and Deployment Scenarios.

• Track 4:

IMPORTANT DATES/TIMELINE

Last Date for Submitting Full Length Paper: **April 30, 2025**

Notification of Acceptance: June 30, 2025

Registration Deadline: July 15, 2025

Camera Ready Paper: July 30, 2025

Conference Date: August 29-30, 2025

CONFERENCE FEES

	Category	Student/ Research Scholar	Faculty/ Academician	Industry Professional	Co-author/ Attendee	Extra Page Charges
-	Authors from India (INR)	7000	8000	9000	2000	500
	Authors from Outside India (USD)	100	150	160	50	20

Machine Learning Applications for Robotics, IoT and Embedded System. Electronics and Signal processing for IoT, Recent Trends and Developments of AI & IoT, Reinforcement Learning, Robotics, IoT and Embedded Systems Security and Privacy for IoT, IoT Big Data.

Conference Website:- https://chitkarauniversity.edu.in/icmla/

Submission Link : https://cmt3.research.microsoft.com/ICMLA2025

Previous Edition :- https://link.springer.com/book/9783031758607

Organised by: School of Engineering & Technology, Chitkara University, Himachal Pradesh, India It is planned to publish the proceedings with Springer in their Communications in Computer and Information Science series.
